\*Item may be cooked to specifications. Consuming raw or under-cooked meats, poultry, seafood, shellfish or eggs may increase your risk of food-borne illness.

## THE SMOKE RING

We slow smoke our Bar-B-Que items with split seasoned hickory logs and follow precise smoking procedures. Authentic Bar-B-Que, when fully cooked, produces a pinkish tint on the outer edge of the meat called "The Smoke Ring" — most visible on our Ribs and Hickory Smoked Chicken. The Smoke Ring guarantees that you are getting genuine Calhoun's Smoked Bar-B-Que!
